Hello, neighbor. Renewing your youth, are you?

Well, not exactly. You see, I was unwise enough to suggest that my wife's last year's Easter hat was almost pretty enough to wear again this year.

SURE! SENIOR CLASS BANQUET, FINE FEED AND ALL THAT. WE'VE ALL HEARD ABOUT YOUR GREAT RECORD IN HIGH SCHOOL AND HAVE SIZED YOU UP AS ONE OF THE COMING MEN IN COLLEGE. THE PRESIDENT HAS RECOMMENDED IT AS A JUST RECOGNITION OF THE HONOR YOU DO THE COLLEGE BY COMING HERE AND THE WHOLE SENIOR CLASS WILL BE DISAPPOINTED IF YOU DON'T COME. IT'S ONLY 2 DOLLARS.

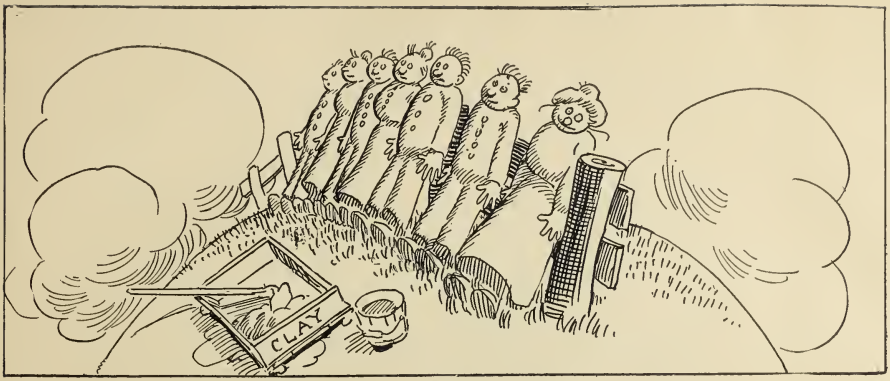
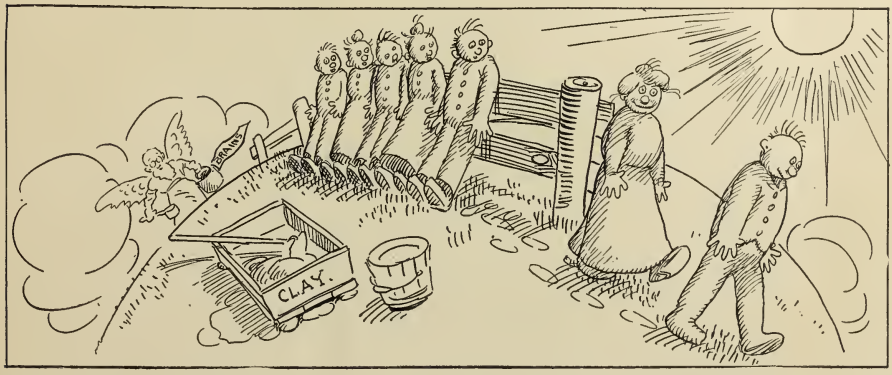
BY ORDER OF THE SOPHOMORE CLASS

Alonzo, mindful of the parental appreciation of the high honor, pays a sophomore $2.00 for an alleged ticket to the banquet of the senior class.



One of the theories which Darwin was never known to dispute is that the Lord made the first batch of people out of clay and sat them up against the fence to dry while He stepped around the corner to see that everything was getting on all right in the garden, expecting to return shortly and put the brains into the people.



Being unavoidably delayed, He discovered upon His return that two of the people had walked off, and owing to the mists from the "nebular hypothesis" which had not yet cleared away, they were not found until after the brains had all been distributed.

Unfortunately, the strain has never died out in the human race, and a number of direct descendants, judging from well developed characteristics, are making their habitat in this immediate vicinity.

My Dear Ma and Pa—This is a great school, though some of the professors are a little weak in their subjects. I have had to take up football, as I found studying so much was hurting my eyes, and to avoid the expense of glasses our physical director and coach, Dr. Rafferty, advised me to go out and try for the team. Football is a great game and not a bit rough. Of course, I don't play hard; just enough to keep myself in good condition for studying. I am sending you my expense account up to date. I think I must have lost some money out of my pockets, as I cannot account for all you sent me. You will notice also that I bought a sweater. I did this to save on my laundry bill. You see, a sweater never has to be washed, and I don't have to wear any shirts or collars with it. I don't believe I will be able to get home for Thanksgiving. Must close and get to studying now.

Your affectionate son, Alonzo.

P. S.—Please send me some money.

I WONDER HOW IT COMES THAT ALONZO HAS SPENT $5.00 FOR POSTAGE STAMPS ALREADY WHEN HE'S SO BUSY STUDYING HE CAN'T WRITE HOME BUT ONCE IN TWO WEEKS - AND HE'S GOT DOWN 9 SUNDAY SCHOOL CONTRIBUTIONS AND HE'S ONLY BEEN AWAY 5 SUNDAYS
